India is my country.

All Indian public spaces are my responsibility.
I love my country and its rich & varied landscapes.
I shall always strive to keep my country **SWACHH**.
I shall give equal respect to its streets, footpaths,
parks, mountains and rivers.

To a litter-free India, I pledge my dedication.
In my participation alone,
lies its cleanliness.

**I PLEDGE TO BE A SWACHH CITIZEN
OF SWACHH INDIA.**
